

TIFF 2026 MARKET READINESS CHECKLIST

Step-by-Step Investor & Buyer Readiness Verification

Before scheduling meetings with buyers or investors at TIFF: The Market (Sept 10–16, 2026), complete each checkpoint below to ensure your story, pitch deck, and budget pass industry standards.

1. SCREENPLAY & COVERAGE POLISH

- ☐ Feature Script Lock: Industry-formatted 80–120 page PDF, scene headings cleaned, pacing audited.
- ☐ AI Script Coverage Check: Passes automated structural, character arc, and dialogue friction diagnostics.
- ☐ Single-Sentence Logline: High-concept hook under 30 words establishing protagonist, conflict, and stakes.

2. PITCH DECK & LOOKBOOK PACKAGE

- ☐ 10–12 Slide Pitch Deck: Standard structure covering Story, Characters, Tone, Comps, Budget, and Team.
- ☐ Visual Lookbook: High-res reference stills establishing lighting, color palette, and camera style.
- ☐ 1-Page Story Synopsis: Tight 3-act narrative summary focusing on character goals, turns, and climax.

3. MARKET & FINANCING REALITY CHECK

- ☐ Top-Sheet AI Budget Estimate: Scene/VFX-driven budget range validated against comparable market films.
- ☐ Market Comps Analysis: 2–4 recent films matching genre, tone, target audience, and sales tier.

❑ TIFF Market Credentials: Official TIFF 2026 Industry or Market accreditation pass registered.
